

Social Media

Evesham Ramblers - WhatsApp for Members

The WhatsApp group is open to Evesham group members, other Ramblers members who walk with Evesham Ramblers group on a regular basis and carers of group members. Its use is for group walk related issues only

Users of the WhatsApp are asked to keep any messages short and to the point. Try to make sure they are relevant to the whole group. If the message is not relevant to the whole group consider messaging the member individually. Please be considerate with the timing of your messages and avoid early mornings and late evenings wherever possible. To join the group, contact [Kath Smith](#) by email or give Kath your name and phone number during a walk.

Evesham Ramblers Facebook

Our [Facebook group](#) is a private group, so you will need to answer some questions when applying to join. The page is primarily for members to share information about walks and walking related issues. Members who take photographs during walks often share them on the Facebook page afterwards. Prefer not to be included in photographs - please make the leader and photographer aware. Contact for the group: [Sheila](#)
